

Brides and Bridal Parties

We love being a part of your wedding day and options can be endless. Below is a good starting point so have a read and let us know how else we can support your day. We look forward to hearing from you.

Stayover ~

We have three rooms and can accommodate a bridal party of six comfortably or more on a case by case basis.

Once you arrive you don't need to leave. The night before is yours and you and your bridal party can enjoy our large formal lounge to have drinks in or sit outside under the stars by our gas fire.

We can do platters and nibbles or plated dinners at our large dining table and have a few options to consider.

The next day we have a buffet continental breakfast set up to start your day, or we can do cooked if you would prefer.

Our doors are open for your make up and hairdresser to arrive and any family members you want to attend. You can invite whomever you need to. It's your day

We set up a tea, coffee and juice station so anyone can help themselves. We also provide you and your guests a light lunch of sandwiches and muffins.
