see some FAQs below

## CATERING

We have a Traditional Buffet and BBQ Buffet menu that can be downloaded from our website. There is also a Canape menu

## ALCOHOL

We aren't licensed so need to apply for a temporary license. We require 21 days notice to do this. This does not allow us to sell you Alcohol, but allows us to serve it to you

## HIRE COMPANY

We use Clausens a local firm and arrange all of this so you only pay one invoice – ours (you won't pay anymore)

## MUSIC

Being situated on a residential street music will need to be turned down at 11pm. Music can be played after 11pm on a low volume

## PARKING

We have two entrances, one off Country Lane and the 2<sup>nd</sup> via our back entrance at 27 Cunningham Street. There is a small gravel parking area that people can use

## DECORATIONS

We have some you can use, please discuss this with us. We can also arrange all of your decorations. Discuss the costs with us. We do simple Menu's and name placements on request

## Accommodation

Our luxury accommodation can play a part of your big day. Special guests can stay in one of our three suites or that special option can be the bride and bridesmaids getting ready morning of your big day and make a grand entrance or stay the night before and relax

You as the new bride and groom can sneak away and stay the night in our upstairs suite

## What are the next steps?

We need to meet at Country Lane Gardens. We'll show you around and have a chat. If you like the look of things then we have a questionnaire to go through with you. This ensures we don't miss any aspects of your big day and we totally understand your requirements

Once we get a feel we start to build a proposal specific to you. This proposal lists all aspects of your day. We work through changes methodically and once you're both happy then we finalise it and send you an invoice for a 20% deposit

**It's that easy.**

*We'd love to hear from you*
